ADA Gulluni-

I noticed that you faxed a summons for the [REDACTED] trial on May 3rd to our lab addressed to Rebecca Pontes. However, I am fairly sure that I am the chemist who analyzed the drugs in question as I have previously received summonses for the same case (same def. name and same docket #). With that said, I also need to inform you that I already have a district court case in Belchertown that day. I will keep you informed if anything changes with that case.
